# ABOUT COLONY

## Exploring the natural and exotic

Colony is a curated collection of wallcoverings influenced by centuries-old techniques of African craft and textiles that traveled the trade routes.

Graphic mudcloth and chevron designs, loosely painted florals and a scenic tiger reserve landscape come together with a coordinating tailored plaid, bold giraffe print, and primitive shapes. This abundant collection is filled with colors ranging from natural earthy tones and greys to vibrant crimson reds, deep blues, verdant greens and saffron that were inspired by artisanal natural dyes.
