

CORMAR
CARPET CO

Primo Ultra

by Cormar Carpet

Primo Ultra is one of the most popular ranges within Cormar's Easy Clean Twist collection of carpets and one of the most successful polypropylene twist carpet collections of recent years.

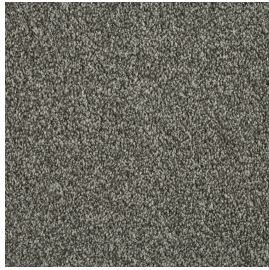

Made with 100% Excellon – a polypropylene fibre recognised for its stain resistance and hardwearing properties. Available in 4 and 5-metre widths.

For additional information such as pattern, colorway, material, and more images, please refer to our website www.ngcmiddleeast.com
