INSTALLATION (WALL-TO-WALL)

Please visit www.moquetasrols.com to download our Quick Fit Guide containing important information relative to the planning & installation of this collection.

CARE & MAINTENANCE

We do not recommend this structure for installation in homes where pets are present as the raised loop pile in the carpet could be pulled by claws scratching the pile surface.

Please visit www.moquetasrols.com to download our Carpet Care and Maintenance booklet containing useful tips on vacuuming, preventative, regular and occasional maintenance solutions and procedures and important guidance for spot cleaning.
