ABOUT THE BRAND

design id

DID has been continuing to succeed its decades-long family business of craftsmanship in the wallpaper business.70-year-experinece has led us to extraordinary passion and tenacity for quality products, the most precious asset inherited from our own history. As a result, we are known as an established wallpaper manufacturing company but are still growing with entre-preneurial spirit.

ABOUT TINY

The Tiny collection is inspired by the cute motif of apparel designs combined with the texture of soft-touch fabrics and presents a new modern and intimate design collection.
