PARATO

ABOUT THE BRAND

It was founded in 1985 by the skilled business man Mario Masi who was well known into the wallcoverings field having the chance to enhance and improve his company making it known abroad.
PARATO SRL had the possibility to grow up stronger through the years thanks to investments made by the leadership in printing , embossing and spread machines purchase , such as the high attention into the manpower training. Mr Masi paid particular attention to foreign markets and his undisputed skill and experience in this field allowed his own company to be known and have success over the past years and nowadays.
