ITALIAN VELOUR

SIRPI

Made in Italy

ABOUT THE BRAND

SIRPI

Sirpi is a brand under Jannelli & Volpi, an Italian market leader in wallpaper. It was founded with the goal of improving its competence and creativity, and set itself as a worldwide leader.

Sirpi is known for its collections of contemporary and classical designs made from the highest standards in style and quality.

ABOUT THE COLLECTION

Inspired by the sumptuous interiors of historical buildings and enriched with soft velvet, this collection stands out for its striking textural qualities. The flocking technique used creates soft coverings, combining the tactile experience with a particular way of interacting with the light.
