

STONE SILK

100% silk wallcovering on a metallic backing, printed on top with water base inks. The digital print creates a pattern of shades inspired by nature. It is possible to install as a panoramic following the three panel sequence or to buy by linear meter or yard for a random installation and a more irregular aesthetic. Stain repellent and fire retardant.

STN001

Design: textures

Composition: 100% SE

Width: 135 cm - 53,15"

Repeat: 0 cm - 0"

Seam visibility (0-3): 1

Paneling effect (0-3): 0
