

Eijffinger – Sensory Collection

General Specifications

Material: Non-woven wallpaper

Roll Size: 10 meters (length) × 70 cm (width)

Pattern Repeat: Varies by design (e.g., 53 cm, 64 cm)

Designs: Includes meandering patterns, fan-shaped motifs, turtle shell-inspired textures, and abstract designs

Finish: Matte with options for metallic accents

Style: Contemporary, inspired by natural textures

Installation Method: Paste-the-wall

Removability: Strippable (easy to remove)

Recommended Adhesive: Arte Clearpro gel wallpaper adhesive

Maintenance: Refer to the care instructions provided with each roll

Installation & Maintenance

Surface Preparation: Ensure walls are smooth, clean, and free from dust or excessive absorption. Apply a suitable primer if necessary.

Application: Apply adhesive directly to the wall using the recommended Arte Clearpro gel wallpaper adhesive.

Maintenance: Follow the care instructions provided with each roll. Some wallpapers may be washable; refer to the specific symbols and guidelines.
